

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

And we further agree that the boundary on the sound shall be, and is, as follows: Beginning at a point in the center of the channel about six hundred feet south of the extreme rocks of Byram Point, marked number 0 on appended United States Coast Survey chart; thence running in a true southeast course three and one quarter statute miles; thence in a straight line (the arc of a great circle) northeasterly to a point four statute miles true south of New London Light House; thence northeasterly to a point marked number one on the annexed United States Coast Survey chart of Fisher's Island Sound, which point is on the long east three-quarters north sailing course drawn on said map, and is about one thousand feet northerly from the Hammock or N. In an application for registration the Commissioner of Patents shall decide the presumptive lawfulness of claim to the alleged trade-mark; and in any dispute between an applicant and a previous registrant, or between applicants, he shall follow, so far as the same may be applicable, the practice of courts of equity of the United States in analogous cases.

He shall next ascertain if said distillers fully accounted to the government for all the spirits produced by them at their distillery during each of said months, and, if so, whether the amount so produced each month, after deducting from the capacity or amount charged against them all losses and detention sustained by accident as aforesaid, if any accidents occurred, was equal to eighty per centum of the capacity actually used by them for each of said months; and if he shall so find, he shall then abate the assessments, in whole or in part, made against said distillers for said months, which are as follows: For the month of October, a sum not exceeding thirteen thousand one hundred and ninety-eight dollars and fifty cents; and for the month of January, a sum not exceeding five thousand seven hundred and ninety-five dollars and six cents; and no assessment for deficiency tax for these months shall be made against them except as herein provided. CHAP. 123.—An act to permit Elias C. Boudinot, of the Cherokee Nation, to sue in the Court of Claims.

1888, ch. 183.  
Stat., 15, 187.  
Preamble.

Whereas, the United States by the enactment of the one hundred and seventh section of the act of Congress approved the twentieth day of July, anno Domini eighteen hundred and sixty-eight superseded the tenth section of the treaty entered into by and between the United States and the Cherokee Nation on the nineteenth day of July, anno Domini eighteen hundred and sixty-six; and

Whereas the property of Elias C. Boudinot, a Cherokee Indian, was seized and disposed of by the authorities of the United States in consequence of the enactment of said one hundred and seventh section, although the Supreme Court of the United States in its opinion expressed in the case prosecuted by said Elias C. Boudinot to test the constitutionality of said one hundred and seventh section and the validity of the said seizure and disposition of his property, and reported in eleventh Wallace United States Supreme Court Reports, page six hundred and sixteen entitled "The Cherokee Tobacco", declared "that there was no ground for any imputation upon the integrity or good faith of" him, the said Elias C. Boudinot; and, further, that it is to be presumed that if a wrong has been done to him, the said Elias C. Boudinot, the Congress of the United States will promptly give the proper relief if applied to by the said Elias C. Boudinot; and

Whereas the Supreme Court of the United States was not called upon to decide, and did not decide, whether the executive officers of the United States had taken the necessary steps to make operative said one hundred and seventh section in said Cherokee Nation anterior to said seizure of the property of said Elias C. Boudinot; and

Whereas there is grave doubt that such steps were taken, and it manifestly appears that a wrong has been done to said Elias C. Boudinot, in consequence of the casual infraction of the said treaty, which should be repaired by appropriate satisfaction in maintenance of said treaty, which still subsists; Now therefore,

Elias C. Boudinot authorized to bring suit in Court of Claims.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That in order to give Elias C. Boudinot, be, and he is hereby, authorized to bring suit in the Court of Claims against the United States Government, to recover what may be due to him in justice and equity for the loss inflicted upon him by reason of said seizure for an alleged violation of the internal-revenue laws, of his property, a tobacco factory, its detention, and damage thereto whilst under seizure, the value of the tobacco, material, and other personal property also seized, and the expenses to which he was subjected thereby.

Preamble.

Whereas, the circuit court for the southern district of Illinois did at the January term, eighteen hundred and seventy-nine, render judgment against said Snell for the sum of ten thousand dollars, in favor of the United States, on a bond dated May eighteenth, eighteen hundred and sixty three, on which bond said Snell was surety for Captain S. Whereas the judge of said court, and the district attorney, have since certified that it is extremely probable that there was no defalcation on said bond; and

effet à ces décisions sans objections, ni délais évasifs d'aucune nature.

## ARTICLE VIII.

Every claim shall be presented to the Commissioners within a period of six months, reckoned from the day of their first meeting for business, after notice to the respective Governments, as prescribed in Article V. of this Convention. Nevertheless, in any case where reasons for delay shall be established to the satisfaction of the Commissioners, or of any two of them, the period for presenting the claim may be extended by them to any time not exceeding three months longer.

The Commissioners shall be bound to examine and decide upon every claim within two years from the day of their first meeting for business as aforesaid; which period shall not be extended except only in case the proceedings of the Commission shall be interrupted by the death, incapacity, retirement, or cessation of the functions of any one of the Commissioners, in which event the period of two years herein prescribed shall not be held to include the time during which such interruption may actually exist.

It shall be competent in each case for the said Commissioners to decide whether any claim has, or has not, been duly made, preferred, and laid before them, either wholly, or to any and what extent, according to the true intent and meaning of this Convention.

## ARTICLE IX.

All sums of money which may be awarded by the Commissioners as aforesaid, shall be paid by the one Government to the other, as the case may be, at the capital of the Government to receive such payment, within twelve months after the date of the final award, without interest, and without any deduction save as specified in Article X.

## ARTICLE VIII.

Toutes les réclamations devront être présentées aux Commissaires dans une période de six mois, à dater du jour où ils se seront réunis pour commencer leurs travaux, après avis donné aux gouvernements respectifs, conformément aux dispositions de l'Article V. de cette Convention. Toutefois, dans tous les cas où l'on ferait valoir de justes motifs de délais à la satisfaction des Commissaires ou de deux d'entre eux, le temps où la réclamation sera valablement présentée pourra être étendu par eux à une période qui ne devra point excéder un terme additionnel de trois mois.

Les Commissaires seront tenus d'examiner et de rendre une décision sur toutes les réclamations, dans les deux ans à dater du jour de leur première réunion comme ci-dessus; ce délai ne pourra être étendu que dans le cas où les travaux de la Commission seraient interrompus par la mort, l'incapacité de servir, la démission ou la cessation de fonctions de l'un des Commissaires. Dans cette éventualité, le temps où une pareille interruption aura existé de fait ne sera point compté dans le terme de deux ans ci-dessus fixé.

Il appartiendra aux dits Commissaires de décider dans chaque affaire si la réclamation a ou n'a pas été dûment faite, présentée et soumise, soit dans son entier, soit en partie, conformément à l'esprit et à la véritable signification de la présente Convention.

## ARTICLE IX.

Toutes les sommes d'argent qui pourraient être allouées par les Commissaires en vertu des dispositions précédentes devront être versées par l'un des gouvernements à l'autre suivant le cas, dans la capitale du gouvernement qui devra recevoir le paiement, dans les douze mois qui suivront la date du jugement final, sans intérêts ni autres déductions que celles spécifiées dans l'Article X.

## Article VIII.

Expenses of Commission to be defrayed by ratable deduction not exceeding 5 per cent. of sums awarded.

The Commissioners shall keep an accurate record and correct minutes or notes of all their proceedings, with the dates thereof; and the Governments of the United States and of France may each appoint and employ a Secretary versed in the language of both countries, and the Commissioners may appoint any other necessary officer or officers to assist them in the transaction of the business which may come before them.

Each government shall pay its own Commissioner, Secretary and Agent or Counsel, and at the same or equivalent rates of compensation, as near as may be, for like officers on the one side as on the other. All other expenses, including the compensation of the third Commissioner, which latter shall be equal or equivalent to that of the other Commissioners, shall be defrayed by the two Governments in equal moieties.

The whole expenses of the Commission, including contingent expenses, shall be defrayed by a ratable deduction on the amount of the sums awarded by the Commissioners, provided always that such deduction shall not exceed the rate of five per centum on the sums so awarded. If the whole expenses shall exceed this rate, then the excess of expense shall be defrayed jointly by the two Governments in equal moieties.

## ARTICLE XI.

Proceedings a final settlement.

Claims not presented, barred.

The High Contracting Parties agree to consider the result of the proceedings of the Commission provided by this Convention as a full, perfect and final settlement of any and every claim upon either Government, within the description and true meaning of Articles I. and II.; and that every such claim, whether or not the same may have been presented to the notice of, made, preferred, or laid before the said Commission, shall, from and after the conclusion of the proceedings of the said Commission, be considered and treated as finally settled, concluded and barred.

## ARTICLE X.

Les Commissaires devront tenir un procès-verbal exact et conserver des minutes ou notes correctes et datées de tous leur travaux; les gouvernements des États-Unis et de France pourront chacun nommer et employer un Secrétaire versé dans le langage des deux pays et les Commissaires pourront nommer tels autres employés qu'ils jugeront nécessaire pour les aider dans l'expédition des affaires qui viendront devant eux.

Chaque gouvernement payera ses propres Commissaires, Secrétaire et agent ou conseil, et la compensation qui leur sera allouée devra être égale ou équivalente autant que possible des deux côtés pour les fonctionnaires de même rang. Toutes les autres dépenses, y compris l'allocation du troisième Commissaire, qui sera égale ou équivalente à celle des deux autres, seront supportées par les deux gouvernements en parts égales.

Les dépenses générales de la Commission, y compris les dépenses éventuelles, seront couvertes par une déduction proportionnelle sur le montant des sommes allouées par les Commissaires; il est entendu toutefois que cette retenue ne devra pas excéder cinq pour cent des sommes accordées. Si les dépenses générales excédaient ce taux, le surplus serait supporté conjointement et en parts égales par les deux gouvernements.

## ARTICLE XI.

Les Hautes Parties contractantes sont convenues de considérer le résultat des travaux de la Commission instituée par cette Convention comme un règlement complet, parfait et définitif de toutes et de chacune des réclamations contre l'une d'elles, conformément aux termes et à la vraie signification des Articles I. et II., de telle sorte que toute réclamation de cette nature, qu'elle ait ou non été portée à la connaissance des Commissaires, qu'elle leur ait ou non été présentée ou soumise, devra, à dater de la fin des travaux de ladite Commission, être tenue et considérée comme définitivement réglée, décidée et éteinte.

Nachstehendes Uebereinkommen, betreffend den Austausch von Postanweisungen, ist von den Unterzeichneten, welche zu diesem Zweck mit der erforderlichen Ermächtigung versehen sind, unter Vorbehalt der Ratifikation vereinbart worden.

#### ARTICLE 1.

#### ARTIKEL 1.

Designation of post offices of issue and payment.

2. The Postal Administration of each country shall have power to authorize such of its post offices, as it may deem expedient, to issue money orders payable in the other country, and to pay money orders received therefrom.

2. Die Postverwaltung eines jeden Landes soll das Recht haben, zur Annahme von Postanweisungen nach dem andern Lande, sowie zur Auszahlung von den aus diesem Lande herrührenden Postanweisungen diejenigen ihrer Postanstalten zu ermächtigen, welche sie für diesen Zweck als geeignet erachtet.

#### ARTICLE 2.

#### ARTIKEL 2.

Payments in gold coin or money of equal value.

1. It is hereby agreed that the basis of all payments for money orders, whether to or by the public, shall be gold coin, or other lawful money of equal value, but that each Postal Administration shall be at liberty to use, for the purpose, money of less value, if the same be a legal tender, provided account be taken of such difference of value.

1. Es wird hierdurch vereinbart, dass als Grundlage aller Zahlungen auf Postanweisungen, gleichviel ob es sich um Auszahlungen an das Publikum, oder um Einzahlungen Seitens desselben handelt, die Goldmünzen oder ein anderes gesetzliches Geld von gleichem Werthe gelten. Indess soll jeder Postverwaltung frei stehen, für den obigen Zweck Geld von geringerem Werthe zu verwenden, wenn dasselbe gesetzliches Zahlungsmittel ist, vorausgesetzt, dass solchem Minderwerth Rechnung getragen wird.

2. No money order shall exceed, for the present, the amount of fifty dollars, if issued in Germany, in favor of a payee in the United States of America, or, of two hundred and ten marks, if issued in the United States to be paid in Germany. The aforesaid maximum amount of fifty dollars, and of two hundred and ten marks shall be raised to one hundred dollars and four hundred marks respectively, whenever the Post Office Department of the United States of America is authorized, by law, to assent to such an increase.

3. The amount of each money order shall be expressed in the denominations of the coin of the country where the payment is to be made. For this purpose, the Administration of the country of origin is authorized to fix, at any time, the rate of conversion of its own money into that of the country of destination. Each Administration shall notify the other of the rate of conversion established under this article and of any change that may be made therein.

## ARTICLE 3.

There shall be given to the remitter of every money order, without extra charge, a certificate for the amount paid by him, in the form prescribed in the country of issue.

## ARTICLE 4.

1. Each of the two Administrations is empowered to fix the rates of commission on the money orders issued within its own territory for payment in the other country. This rate of commission, however, shall

Der Betrag einer in Deutschland zu Gunsten eines Empfängers in den Vereinigten Staaten von Amerika eingelieferten Postanweisung darf Fünfzig Dollars, und derjenige einer in den Vereinigten Staaten von Amerika zur Auszahlung in Deutschland eingelieferten Postanweisung Zweihundert und zehn Mark für jetzt nicht übersteigen. Die vorstehende Höchstbeträge von Fünfzig Dollars und Zweihundert und zehn Mark sollen auf Hundert Dollars bz: auf Vierhundert Mark erhöht werden, sobald die Postverwaltung der Vereinigten Staaten von Amerika gesetzlich ermächtigt sein wird, einer solchen Erhöhung zuzustimmen.

3. Der Betrag einer jeden Postanweisung soll in der Währung des Landes ausgedrückt sein, in welchem die Auszahlung stattzufinden hat. Zu diesem Zwecke ist die Verwaltung des Aufgabebiets ermächtigt, zu jeder Zeit das Umwandungsverhältniss ihrer eigenen Währung in die Währung des Bestimmungslandes festzusetzen. The two Administrations will communicate to each other the rates of commission established in accordance with this provision.

1. The form, to be used for post office money orders from Germany to the United States of America, shall be made of thick paper, and shall conform, in all respects, to the model, hereto annexed, marked "A." For post office money orders from the United States of America to Germany a form, made also of thick paper, and similar to the above mentioned model, shall be employed. On these latter forms, however, the English language shall be substituted for the German in the printed text.

2. The filling up, in writing, of these forms must be done by means of Arabic numerals and Roman letters, without any alteration or obliteration.

Die beiden Verwaltungen werden sich gegenseitig die nach Massgabe dieser Bestimmung festgesetzten Gebühren mittheilen.

2. Die Gebühren müssen stets vom Absender im Voraus bezahlt werden. Derselbe hat auf Rückzahlung dieser Gebühren keinerlei Anspruch. Weder der Absender, noch der Empfänger einer Postanweisung hat irgend eine Taxe, ausser der nach Massgabe dieses Artikels erhobenen Gebühr, zu zahlen. Nur wenn die Postanweisung durch einen Briefträger in der Wohnung oder in dem Geschäftsalokal des Empfängers ausbezahlt wird, kann der Letztere zur Zahlung einer Bestellgebühr gehalten werden.

3. Die Postverwaltung des Aufgabebiets soll der Postverwaltung des Auszahlungsbiets drei Viertel Procent der Gesamtsumme an ausbezahlten Postanweisungsbeträgen vergüten.

#### ARTIKEL 5.

1. Das zu Postanweisungen aus Deutschland nach den Vereinigten Staaten von Amerika zu verwendende Formular soll aus festem Papier hergestellt sein, und in jeder Beziehung dem beigelegten Muster "A" entsprechen. Zu Postanweisungen aus den Vereinigten Staaten von Amerika nach Deutschland solle ein gleichfalls aus festem Papier hergestelltes und dem vorerwähnten Muster ähnliches Formular verwendet werden. Das letztere Formular wird jedoch anstatt des Vordrucks in deutscher Sprache einen solchen in Englischer Sprache enthalten.

2. Die handschriftliche Ausfüllung der Formulare muss mit arabischen Ziffern und mit lateinischen Schriftzeichen ohne Durchstreichungen oder Abänderungen bewirkt werden.

3. The money order must contain, in addition to the surname of the payee and his exact address, his given name, or at least, the initials of his given name or names, unless the payee be a firm, in which case, the ordinary designation of the firm will suffice. The place of destination must be accurately stated, so as to prevent any uncertainty in regard to it. On money orders issued in favor of residents of United States the name of the state and, if possible, of the county of the payee's residence must be stated in the address.

4. The coupon of the money order must contain the name and the address of the remitter, and the amount to be paid, as well as the date of its issue may be noted thereon. Any other memoranda are prohibited.

## ARTICLE 8.

1. Each Office of Exchange shall send, by every mail, to the corresponding Exchange Office, a certified List of the money orders issued in its own country, since the last previous transmission, for payment in the other.

Der Bestimmungsort muss so genau bezeichnet sein, dass ein Zweifel in dieser Beziehung nicht entstehen kann. Bei Postanweisungen an Bewohner der Vereinigten Staaten muss der Name des Staats und, wenn möglich, auch des Kreises, in welchem der Wohnort des Empfängers liegt, in der Aufschrift angegeben sein.

4. Der Abschnitt der Postanweisung muss den Namen und die Adresse des Absenders enthalten; auf dem Abschnitt kann der auszahlende Betrag und der Tag der Einzahlung angegeben werden. Weitere Bemerkungen sind auf dem Abschnitt nicht zulässig.

4. The lists despatched from each Office of Exchange, as well as the entries therein, shall be numbered consecutively, commencing with No. 1 at the beginning of each year. After the close of the quarter ending June 30th of each year, supplementary lists may be sent by either Office of Exchange, if occasion requires, containing an entry of every order issued during that quarter, which has not been previously certified, but the amount of such lists shall form a separate item in the account for the next quarter.

5. Before making up any list, the Office of Exchange shall ascertain whether the money orders, received for transmission, have been filled up in accordance with the regulations made in pursuance of this Convention and, especially, whether the conversion from one currency into the other has been correctly effected.

Duplicate lists

6. Single lists shall be sent, in each case, from Cologne, but those from New York shall be in duplicate.

3. Die Verzeichnisse, mittels deren die Auswechselungs-Postanstalt in New York der Auswechselungs-Postanstalt in Cöln die in den Vereinigten Staaten ausgestellten Postanweisungen übersendet, sollen dem Muster der Anlage "C" entsprechen.

4. Die von jeder der beiden Auswechselungs-Postanstalten abgesandten Verzeichnisse, sowohl als die darin enthaltenen Eintragungen, sollen fortlaufend numerirt werden und zwar vom Anfange jedes Jahres ab mit No. 1 beginnend. Nach dem Schlusse jedes mit dem 30. Juni ablaufenden Vierteljahrs können von beiden Auswechselungs-Postanstalten, soweit erforderlich, Ergänzungsalisten abgefertigt werden, in welche solche aus dem bezeichneten Vierteljahre herrührende Postanweisungen, deren Ueberweisung noch nicht stattgefunden hat, einzutragen sind, jedoch soll der Betrag der derartigen Verzeichnisse in der Abrechnung über das nächste Vierteljahr besonders in Ansatz gebracht werden.

5. Vor Ausstellung eines Verzeichnisses haben die Auswechselungs-Postanstalten sich Gewissheit darüber zu verschaffen, dass die zur Absendung vorliegenden Postanweisungen nach Massgabe der in diesem Uebereinkommen getroffenen Bestimmungen ausgefüllt sind, und ins besondere, dass die Umwandlung aus der einen Währung in die andere richtig bewirkt ist.

6. Die Verzeichnisse werden von der Auswechselungs-Postanstalt in Cöln in einfacher Ausfertigung, von der Auswechselungs-Postanstalt in New York in doppelter Ausfertigung aufgestellt werden.

7. Sollten bei dem Abgange einer Post keine Postanweisungen zur Ueberweisung vorliegen, so wird nichtsdestoweniger ein Verzeichniss abgesandt werden. In solchem Falle wird indess die absendende Auswechselungs-Postanstalt in dem Verzeichniss die Worte niederschreiben: "No money orders."

## ARTICLE 9.

1. As soon as the lists of the despatching office shall have reached the receiving Office of Exchange, the latter shall verify the lists received, and if errors are found, will indicate them with red ink.

2. The Exchange Office of Cologne will place its mark of acceptance on the back of one of the duplicates received from New York, describe thereon, in detail, the errors, should any be discovered, and shall then return such duplicate to the Exchange Office of New York.

3. The Exchange Office of New York shall acknowledge each list, received from the Exchange Office of Cologne, by means of the first subsequent list forwarded to the latter office.

4. The stamp of the despatching and of the receiving Exchange Office shall be imprinted upon the back of each money order entered in the lists. The former office shall forward to the latter all money orders, received from its inland offices, to be disposed of in accordance with the regulations of the country of payment.

## ARTICLE 10.

Each of the two Administrations shall have power, under extraordinary circumstances, which appear of a nature to warrant such a measure, to suspend temporarily the exchange of money orders in either direction or in both, provided, however, that notice of such suspension be given to the other Administration immediately, and, if deemed necessary, by means of the telegraph.

## ARTIKEL 9.

2. Die Auswechselungs-Postanstalt in Oöln wird den Vermerk der Anerkennung auf die Rückseite einer der beiden von New York empfangenen Ausfertigungen setzen, und dasselbe auch die etwa wahrgenommenen Unrichtigkeiten einzeln bezeichnen. Diese Ausfertigung des Verzeichnisses wird an die Auswechselungs-Postanstalt in New York zurückgesandt.

3. Die Auswechselungs-Postanstalt in New York wird den Empfang eines jeden Verzeichnisses von der Auswechselungs-Postanstalt in Oöln auf dem nächsten nach Oöln abzusendenden Verzeichnisse anerkennen.

## ARTIKEL 10.

Jede der beiden Verwaltungen kann unter aussergewöhnlichen Verhältnissen, welche geeignet sind eine derartige Massnahme zu rechtfertigen, den Austausch von Postanweisungen vorübergehend in einer oder in beiden Richtungen einstellen, jedoch unter der Bedingung, dass die andere Verwaltung davon unverzüglich, nöthigen Falls auf telegraphischem Wege, in Kenntniss gesetzt wird.

Accounts, per Form D, rendered quarterly.

1. At the close of each quarter, or, at the latest, within six weeks after the expiration thereof, an account, in duplicate, shall be prepared and transmitted by the Postal Administration of the German Empire to the Postal Administration of the United States. For this quarterly account a form shall be used, in exact conformity with the pattern, "D", hereto annexed.

Balance in favor of Post-Office Department of German Empire.

2. Payment shall be made in the money of the country in favor of which the account shows a balance, and, for the purpose of ascertaining such balance, the smaller credit shall be converted into the same money as that of the larger credit.

Payment of balances.

If the account shows a balance in favor of the Post Office Department of the German Empire, the conversion shall be effected at the average rate of exchange at New York during the quarter to which the account appertains; but if it shows a balance in favor of the Post Office Department of the United States, the conversion shall be based upon the average rate of exchange at Hamburg during the same period. The debtor administration shall transmit within five days after the expiration of each quarter, a certified statement showing the rate of exchange for every business day of such quarter.

Conversion of money and exchange, &c.

Balance in favor of Post-Office Department of United States.

3. Should the quarterly account show a balance in favor of the Post Office Department of the German Empire, that of the United States shall return a copy of such account, after due examination and verification of the same, at the latest within fourteen days after the receipt thereof, and shall transmit, at the same time, a bill of exchange, drawn on Berlin or Hamburg, for the amount of said account, payable to the "General Post Kasse"

1. Am Ende eines jedes Vierteljahrs und spätestens innerhalb sechs Wochen nach Ablauf desselben, wird eine Abrechnung in zweifacher Ausfertigung durch die deutsche Reichs-Postverwaltung aufgestellt und der Postverwaltung der Vereinigten Staaten übersandt werden. Zu dieser vierteljährlichen Abrechnung soll ein dem anliegenden Muster "D" genau entsprechendes Formular verwendet werden.

2. Die Zahlungen sollen in der Währung desjenigen Landes geleistet werden, zu dessen Gunsten die Abrechnung ein Guthaben ergibt. Zum Zwecke der Feststellung dieses Guthabens soll die geringere Forderung in dieselbe Währung umgewandelt werden, in welcher die grössere Forderung ausgedrückt ist.

Wenn die Abrechnung ein Guthaben zu Gunsten der Deutschen Reichs-Postverwaltung ergibt, so soll die Umwandlung unter Zugrundelegung des mittleren Börsenkurses bewirkt werden, welcher in New York während desjenigen Vierteljahrs bestand, auf welches die Abrechnung sich bezieht; wenn dieselbe aber ein Guthaben zu Gunsten der Postverwaltung der Vereinigten Staaten ergibt, so soll die Umwandlung nach Massgabe des mittleren Börsenkurses stattfinden, welcher während desselben Zeitraums in Hamburg bestand. Die sich als Schuldnerin ergebende Verwaltung soll innerhalb fünf Tage nach Ablauf eines jeden Vierteljahrs der anderen Verwaltung eine festgestellte Nachweisung übersenden, welche den Wechselkurs für jeden Börsentag des betreffenden Vierteljahrs ersehen lässt.

3. Wenn die vierteljährliche Abrechnung ein Guthaben zu Gunsten der Deutschen Reichs-Postverwaltung ergibt, so soll die Postverwaltung der Vereinigten Staaten eine Ausfertigung der Abrechnung, nachdem die letztere zuvor ordnungsmässig geprüft und festgestellt worden ist, spätestens innerhalb vierzehn Tage nach dem Empfange derselben, zurücksenden. Gleichzeitig soll dieselbe einen Wechsel auf Berlin oder Hamburg

If, on the other hand, the quarterly account shows a balance in favor of the United States Postal Administration, the latter will return a copy, after due examination and verification. At the latest, within fourteen days after the receipt of such copy, the Post Office Department of the German Empire shall transmit to that of the United States a bill of exchange for the amount thereof, drawn on New York, payable to the Postmaster-General of the United States. The Postal Administration of the latter country shall then send, in return, an acknowledgment of receipt.

4. If, pending the settlement of an account, one of the two Postal Administrations shall ascertain that it owes the other a balance exceeding five thousand dollars, or twenty-one thousand marks, the indebted Administration shall promptly remit the approximate amount of such balance to the credit of the other.

5. The expenses attending the remittance of bills of exchange shall invariably be borne by the Post Office Department, by which the payment is to be made.

6. If a bill of exchange in payment of the balance resulting from a quarterly account, is not transmitted within the period above stipulated, the amount of such balance is chargeable with interest, from the day after the expiration of said period until the day of the transmission of the bill of exchange. This interest is to be computed at the rate of five per cent per annum, and is to be placed to the debit of the dilatory Administration in the next quarterly account.

Unpaid and void orders.

Amounts paid for same to be at the disposal of the country receiving the same.

Statements of unpaid orders to be made by exchange officers.

Repayment.

1. Orders which cannot for any cause be paid to the person, for whom they are intended, shall become void, according to the regulations established in the country of destination, and the sums received therefor shall remain at the disposal of the Postal Administration of the country of origin, so that they may be repaid to the persons interested, or otherwise disposed of, according to the rules established by the laws or regulations of each country. The Postal Administration of Germany will therefore place, in the quarterly account, to the credit of the Postal Administration of the United States, all money orders, which are entered in the lists received from the United States, and which become void by reason of non-payment in Germany. A detailed statement of such orders shall furthermore be transmitted to the Post Office Department of the United States by the German Exchange Office at the close of each month. On the other hand, the Postal Administration of the United States shall, at the close of each month, promptly transmit to the German Exchange Office, for entry in the quarterly account, a detailed statement of all similar unpaid orders, which were originally certified in the lists from the latter office, and which under this Article have become void.

1. Diejenigen Postanweisungen, welche aus irgend einem Grunde dem Empfänger nicht ausgezahlt werden können, sollen nach Massgabe der in dem Bestimmungslande geltenden Vorschriften als unbestellbar angesehen werden, und die eingezahlten Beträge sollen zur Verfügung der Postverwaltung des Aufgabe-Postgebiets verbleiben, sei es zur Rückzahlung an die Absender, oder sei es zur anderweiten Verfügung, je nach den in jedem der beiden Länder bestehenden Gesetzen oder sonstigen Bestimmungen. Die deutsche Reichs-Postverwaltung wird daher, in die vierteljährliche Abrechnung als Forderung der Vereinigten Staaten alle diejenigen Postanweisungen aufnehmen, welche vermittelst der von den Vereinigten Staaten abgesandten Verzeichnisse in Deutschland eingegangen und wegen der nicht erfolgten Auszahlung dasselbst unbestellbar geworden sind. Die deutsche Auswechselungs-Postanstalt wird ausserdem am Schlusse jedes Monats ein besonderes Verzeichniss solcher Postanweisungen an die Postverwaltung der Vereinigten Staaten absenden. Andererseits wird die Postverwaltung der Vereinigten Staaten am Schlusse eines jeden Monats der deutschen Auswechselungs-Postanstalt zum Zwecke der Eintragung in die vierteljährliche Abrechnung ein besonderes Verzeichniss aller derjenigen, in gleicher Weise, unausbezahlt gebliebenen Postanweisungen pünktlich übersenden, welche ursprünglich in den von der letztgenannten Auswechselungs-Postanstalt aufgestellten Verzeichnissen eingetragen und nach Massgabe dieses Artikels unbestellbar geworden sind.

2. Repayment, whether of original, or duplicate order, must not be made to the remitter until an authorization for such repay-

ment shall first have been received, by the country of issue, from the country where such order is payable, and the amounts of the repaid orders shall be duly credited to the former country, in the next quarterly account. It is the province of each Postal Administration to determine the manner in which repayment to the remitter is to be made.

Die an den Absender zurückgezählten Beträge werden der auszahlenden Postverwaltung in der nächsten vierteljährlichen Abrechnung gut geschrieben. Es ist Sache jeder Postverwaltung, zu bestimmen, in welcher Weise die Zurückzahlung an den Absender geschehen soll.

1. Each Postal Administration hereby agrees to consider complaints respecting international postal orders, and to dispose of them in accordance with its regulations, provided they are accompanied by a statement from the payee, that the amount of the money order has not been paid to him.

2. A complaint from a remitter may, in like manner, be entertained, in case he furnishes satisfactory evidence that he has made due effort, without success, to obtain information from the payee respecting the payment of an amount transmitted through the international money-order system.

## ARTIKEL 14.

1. Die beiden Postverwaltungen sind darüber einverstanden, den Nachträgen wegen internationaler Postanweisungen Folge zu geben und dieselben nach Massgabe der in jedem Lande bestehenden Bestimmungen zu erledigen, vorausgesetzt, dass die Nachfrageschreiben von einer Erklärung des Empfängers begleitet sind, dass der Betrag der Postanweisung nicht an ihn zur Auszahlung gelangt sei.

2. Nachfragen der Absender können in gleicher Weise entgegengenommen werden, wenn der Absender glaubwürdig nachweist, dass er sich in gehöriger Weise, jedoch erfolglos, bemüht habe, bezüglich der Auszahlung eines durch das internationale Postanweisungsverfahren übermittelten Betrages Nachricht vom Empfänger zu erlangen.

All such additional rules, however, must be promptly communicated to the Post Office of the other country.

ARTICLE 15.

This present Convention shall be substituted for, and shall take effect, in lieu of all previous Conventions or arrangements relative to the exchange of money orders between the two countries, on the 1st day of April 1880, and shall continue in force until twelve months after either of the contracting parties shall have notified to the other its intention to terminate it. ## Convention.

Convention for the exchange of postal money orders between the United States and France.

## Contracting parties.

The undersigned, David M. Convention pour l'échange des mandats de poste entre les États-Unis et la France.

Les soussignés, David M. Key, Postmaster-Général des États-Unis d'Amérique, agissant en vertu des pouvoirs qu'il tient de la loi, et Maxime Outrey, Commandeur de l'Ordre National de la Légion d'Honneur, Envoyé extraordinaire et Ministre Plénipotentiaire de France aux États-Unis d'Amérique, &c., &c., agissant au nom de son Gouvernement, et en vertu des pleins pouvoirs qu'il a formellement présentés à cet effet, ont conclu la Convention suivante.

## ARTICLE 1.

## ARTICLE 1.

## Scope.

The transmission of sums of money may be made by mail from France and Algeria to the United States of North America, and from the United States of North America to France and Algeria.

Des envois de fonds pourront être faits, par la voie de la poste, tant de la France et de l'Algérie pour les États-Unis de l'Amérique du Nord que des États-Unis de l'Amérique du Nord pour la France et l'Algérie.

## Money-orders.

Such transmission is to be effected by means of money orders drawn by post offices in one country upon post offices in the other.

Ces envois s'effectueront au moyen de mandats tirés par des bureaux de poste de l'un des deux pays sur des bureaux de poste de l'autre pays.

## Limit.

The amount of each order shall not exceed two hundred and fifty francs, or fifty dollars.

Aucun mandat ne pourra excéder la somme de deux cent cinquante francs, ou de cinquante dollars.

The two Administrations, however, may, by common agreement, increase this maximum to five hundred francs, or one hundred dollars.

Toutefois, les deux Administrations pourront, d'un commun accord, élever ce maximum à cinq cents francs ou cent dollars.

## Transfer of orders by endorsement.

Each of the two contracting countries reserves the right to declare transferable, within its territory, by means of endorsement, the ownership of orders originating in the other.

## ARTICLE 2.

## ARTICLE 2.

#### ARTICLE 3.

The Postal Administration, which issues the orders, shall credit that, which pays them, with a commission of three fourths of one per cent. upon the total amount thereof.

#### ARTICLE 3.

L'Administration qui délivrera les mandats tiendra compte à l'Administration qui les paiera d'un droit de trois quarts d'un pour cent du montant total de ces mandats.

Disposal of commissions.

#### ARTICLE 4.

The amount of the orders shall be paid in by the remitters and paid out to the beneficiaries in gold coin, or in other lawful money of equal current value.

In case at any time a paper currency, inferior in value to gold coin, shall become a legal tender in either country, the Postal Administration of that country is authorized to receive and to pay it out in its dealings with the public, provided account be taken of such difference of value.

#### ARTICLE 4.

Le montant des mandats sera versé par les déposants et payé aux bénéficiaires en monnaie d'or, ou en quelque autre monnaie légale de même valeur courante.

Toutefois, au cas où, dans l'un des deux pays circulerait une papier monnaie ayant cours légal, mais d'une valeur inférieure à celle de l'or, l'Administration de ce pays aurait la faculté de le recevoir et de l'employer elle-même dans ses rapports avec le public, sous réserve de tenir compte de la différence des cours.

Payment in gold coin or money of current value.

#### ARTICLE 5.

The amount of each order must be expressed in the money of the country in which payment is to be made, but no order shall contain a fraction of a cent or of a demi-decime, (five centimes).

The rate of conversion of the money of the country of origin into that of the country of payment shall be fixed by the Administration of the country of origin.

#### ARTICLE 5.

Le montant de chaque mandat sera exprimé en monnaie du pays où le paiement devra avoir lieu et ne devra pas comporter de fraction de demi-decime, (cinq centimes) ou de cent.

Les bases de la conversion de la monnaie du pays d'origine en monnaie du pays de destination seront fixées par l'Administration du pays d'origine.

Orders to be expressed in money of country where payable.

The money orders issued by the French post offices, as well as those issued by the post offices in the United States, in pursuance of Article 1st of the present Convention, and the receipts entered thereon, shall not be subjected, under any pretext or claim, to any commission or tax whatever, at the expense of the person entitled to receive payment thereof.

#### ARTICLE 6.

Les mandats délivrés par les bureaux de poste français ou par les bureaux de poste américains, en exécution de l'article 1<sup>er</sup> de la présente Convention, et les acquits donnés sur ces mandats ne pourront, sous aucun prétexte et à quel que titre que ce soit, être soumis à un droit ou à une taxe quelconque à la charge des destinataires des fonds.

Payee of orders not to be subjected to any tax, claim, or commission.

## ARTICLE 7.

## Accounts.

The postal Administration of France and the Postal Administration of the United States shall, at certain periods to be fixed by them, by mutual agreement, prepare a statement of the amounts of their reciprocal indebtedness; and these accounts, after having been examined and set off against each other, shall be paid within a limited time, to be determined by common consent, in the money (of gold value) of the creditor country by the Administration, which shall be found indebted to the other.

## Payment of balances.

For this purpose the smaller credit shall be converted into the same money as that of the larger credit. This conversion shall be based upon the average of the rates of exchange quoted at Paris during the period embraced in the account, if the payment is due to the United States; and upon the average of such rates quoted during a like period at New York, if the payment is due to France.

## In case of non-payment to bear interest.

In case of the non-payment of the balance of an account within the time specified, the amount of such balance shall be chargeable with interest from the date of the expiration of the stipulated period until the day of the transmission of the amount due. Such interest shall be computed at the rate of five per cent. per annum, and is to be entered in the accounts as a debit against the dilatory Administration.

## ARTICLE 8.

## ARTICLE 7.

L'Administration des Postes de France et l'Administration des Postes des États-Unis dresseront, aux époques qui seront fixées par elles d'un commun accord, les comptes des sommes qu'elles auront à se rembourser réciproquement, et ces comptes, après avoir été débattus et arrêtés contradictoirement, seront soldés, en monnaie d'or du pays créancier, par l'Administration qui sera reconnue redevable envers l'autre, dans le délai dont les deux Administrations conviendront.

À cet effet la créance la plus faible sera convertie en même monnaie que la créance la plus forte, en prenant pour base le taux moyen du change qui aura été coté pendant la période à laquelle les comptes se rapporteront, savoir: à Paris, si le solde est en faveur des États-Unis, et à New York si le solde est en faveur de la France.

En cas de non paiement du solde d'un compte dans le délai convenu, le montant de ce solde sera productif d'intérêts à dater du jour de l'expiration du dit délai jusqu'au jour de l'envoi de la somme due. Ces intérêts seront calculés à raison de cinq pour cent l'an et seront portés au débit de l'Administration retardataire sur le compte suivant.

## ARTICLE 8.

Les sommes encaissées par chacune des deux Administrations, en échange des mandats dont le montant n'aura pas été réclamé par les ayants-droit dans les délais fixés par les lois et règlement du pays d'origine, seront définitivement acquises à l'Administration qui aura délivré les mandats.

## ARTICLE 9.

Les deux Administrations désigneront, chacune pour ce qu'il a concerné, les bureaux autorisés à délivrer et à payer les mandats en vertu de la présente Convention. Elles régleront, d'un commun ac-

It is understood that each Administration shall bring to the knowledge of the other any changes which it may make in its list of offices authorized to issue and to pay money orders, and that other measures of execution may be modified by the two Administrations, whenever they agree that a modification is necessary.

cord, la forme et le mode de transmission des mandats sus-mentionnés, la forme des comptes désignés dans l'article sept et toutes autres mesures de détail ou d'ordre nécessaires pour assurer l'exécution des stipulations de la présente Convention.

Il est entendu que chaque Administration portera à la connaissance de l'autre les modifications qu'elle apportera dans sa liste des bureaux autorisés à délivrer et à payer les mandats, et que les autres mesures d'exécution pourront être modifiées par les deux Administrations, toutes les fois que, d'un commun accord, elles en reconnaîtront la nécessité.

Form of orders.

Changes in offices of issue and payment to be notified.

#### ARTICLE 10.

Each of the two Administrations is empowered, under extraordinary circumstances, which may be of a nature to warrant the measure, to suspend temporarily the money-order service between the two countries; provided, however, that notice of such suspension be given to the other Administration immediately, and, if deemed necessary, by means of the telegraph.

#### ARTICLE 10.

Chacune des deux Administrations pourra, dans des circonstances extraordinaires qui seraient de nature à justifier la mesure, suspendre temporairement le service des mandats internationaux, à condition d'en donner immédiatement avis, au besoin par le télégraphe, à l'autre Administration.

Right to suspend issue of orders reserved.

Notice to be given.

#### ARTICLE 11.

The present Convention shall take effect on the first day of April, 1880.

It shall remain in force, from year to year, until one year after one of the two contracting parties shall have notified the other of its intention to terminate it.

During such final year, the Convention shall continue to be fully and entirely executed, without prejudice of the adjustment and payment of the accounts, after the expiration of the term in question.

#### ARTICLE 11.

La présente Convention sera mise à exécution à partir du 1<sup>er</sup> avril 1880.

Elle demeurera obligatoire d'année en année jusqu'à ce que l'une des deux parties contractantes ait annoncé à l'autre, mais un an à l'avance, son intention d'en faire cesser les effets.

Pendant cette dernière année la Convention continuera d'avoir sa pleine et entière exécution, sans préjudice de la liquidation et du solde des comptes après l'expiration du dit terme.

Convention takes effect April 1, 1880.

Duration.

#### ARTICLE 12.

The ratifications of the present Convention shall be exchanged prior to the first day of March, 1880.

In witness whereof the respective Plenipotentiaries have signed the present Convention and have affixed thereto their seals.

## ARTICLE 5.

Advices of orders to be given to the paying officer.

The post office which issues an order is required to transmit to the office charged with its payment, through the intermediate agency of an exchange office established at New York, N. Y., an advice expressing very legibly, and in written characters, the following, to wit:

Particulars of advices.

1st. The name of the issuing office;

2d. The name of the office, and of the country of destination, and, if relating to an order, payable in the United States, the name of the State in which such office is situated;

3d. The amount, in the money of the country of destination, which is to be paid to the owner of the order, and, if the Administration of the country of origin deems it expedient, the sum received for the order from the remitter, in the money of that country, may, in addition, be inscribed thereon;

4th. The surnames, and the given names, or at least the initials of the given names, of the remitter and of the payee of the order.

It will be sufficient, however, for the purpose, to make use, in the case of a business house, of its commercial designation, and, in the case of a corporation, of the name of the manager, the secretary, or the authorized agent thereof.

The advice must also bear the impress of the dated stamp of the issuing post office, and also the signature of the receiver or of the postmaster of that office.

It must be forwarded to New York by the first mail subsequent to the issue of the order.

## ARTICLE 5.

Le bureau qui émettra un mandat adressera, par l'intermédiaire d'un bureau d'échange établi à New York, au bureau chargé de payer ce mandat, un avis exprimant très-lisiblement et en toutes lettres, savoir:

1<sup>re</sup>. Le nom du bureau expéditeur;

2<sup>e</sup>. Le nom de bureau et du pays de destination et, s'il s'agit d'un mandat payable aux États-Unis, le nom de l'État dans lequel est situé le bureau destinataire.

3<sup>e</sup>. La somme, en monnaie du pays de destination, qui devra être payée au bénéficiaire du mandat, et, si l'Administration du pays d'origine le juge à propos, la somme, en monnaie de ce pays, versée par l'expéditeur;

4<sup>e</sup>. Les noms et prénoms, ou tout au moins les initiales des prénoms, de l'expéditeur et du destinataire des fonds.

Toutefois, il suffira, le cas échéant, de la désignation de la raison sociale, pour une maison de commerce, et du nom du directeur, du secrétaire, ou du fondé de pouvoirs, pour une compagnie ou un établissement quelconque.

L'avis portera, en outre, le timbre à date du bureau expéditeur, ainsi que la signature du receveur ou du Postmaster de ce bureau.

Il sera expédié sur New York par le plus prochain courrier qui suivra la délivrance du mandat.

## ARTICLE 6.

The exchange office at New York to verify advices of orders.

Every advice, from either of the two countries, of a money order payable in the other, shall be verified by the Exchange Office of New York.

Particulars of verification of advices of orders.

Those which shall be found incomplete, or not in conformity with the provisions of the foregoing Article 5, shall be returned to the issuing office for completion or correction.

## ARTICLE 6.

Tous les avis d'émission de l'un des deux pays pour l'autre seront vérifiés par le bureau d'échange de New York.

Ceux qui seront incomplets ou non conformes aux prescriptions de l'article 5 précédent, seront renvoyés par ce bureau au bureau d'origine pour être complétés ou corrigés.

Those found correct shall be stamped by the Exchange Office of New York, with the date of their receipt at said Office, and with a special number corresponding to that upon the records of that Office; and they shall also be furnished with an endorsement indicating the amount to be paid by the Office of destination.

The indorsement by the New York Exchange Office, upon advices destined for payment in France and Algeria will be as follows:

Mandat valable en France .....	
pour .....	france
et .....	centimes
Post Master of exchange office of New York.	

Ceux qui seront reconnus réguliers seront revêtus par le bureau d'échange de New York d'un timbre constatant la date de réception à ce bureau, d'un numéro spécial correspondant à leur transcription sur ses registres, et d'une griffe indiquant la somme à payer par le bureau destinataire.

La griffe appliquée par le bureau d'échange de New York sur les avis d'émission à destination de la France et de l'Algérie sera ainsi conçue:

Mandat valable en France .....	
pour .....	france
et .....	centimes
Post Master of exchange office of New York.	

Each advice which does not bear this indorsement will be considered as invalid, and will be returned to the Exchange Office of New York.

In case of the presentation of an order at the paying office, the amount of which does not agree with the amount indorsed upon the advice by the New York Exchange Office, such order will be considered as irregular and will be treated as hereinafter provided in Article 10.

#### ARTICLE 7.

As a general rule, lost or mis-sent advices will be replaced at the request of the paying office with the least possible delay, by duplicates to be issued by the Exchange Office of New York.

If the original advice has not been received by the Exchange Office of New York, the latter will indorse the fact upon the request for a duplicate and will forward it to the office alleged to have issued the order. In such case the duplicate shall be furnished, without de-

Tout avis d'émission non revêtu de cette griffe sera considéré comme non valable et renvoyé au bureau d'échange de New York.

Dans le cas où, lors de la présentation du mandat au bureau destinataire, le montant indiqué par la griffe du bureau d'échange de New York ne concorderait pas avec le montant exprimé sur le mandat, celui-ci sera considéré comme irrégulier et traité suivant les dispositions de l'Article 10 ci-après.

#### ARTICLE 7.

En règle générale, les avis d'émission, perdus ou égarés, seront, sur la demande du bureau destinataire, remplacés par des duplicata de ces avis, que délivrera, dans le plus bref délai, le bureau d'échange de New York.

Si l'avis original ne lui est pas parvenu, le bureau d'échange de New York annotera en conséquence la demande de duplicata et la transmettra au bureau signalé comme ayant émis le mandat; auquel cas le duplicata ou la réponse à la demande de duplicata

#### ARTICLE 8.

The envelopes above mentioned shall conform or be similar to model "C" annexed to these Regulations.

#### ARTICLE 9.

Payment of orders.

Payment of orders issued under the authority of the Convention of December 29, 1879, can be exacted only at the post office of payment named upon the order, but not until after the receipt by that office, of the advice required by Article 5, hereof.

#### ARTICLE 10.

Unpaid orders.

Orders, the payment of which cannot be effected for the following reasons, namely:

1st. Erroneous, insufficient, or ambiguous statement of the name, or of the residence of the payee;

2d. Discrepancies or omissions in names or in amounts upon either the advice or the order;

sera adressée sans retard par ce dernier bureau au bureau d'échange de New York.

Les duplicata d'avis devront, dans tous les cas, pour être valables, avoir été frappés par le bureau d'échange de New York du timbre dont l'Article 6 précédent prescrit l'application sur les avis originaux.

Toute demande de duplicata d'avis d'émission sera dressée sur une formule conforme ou analogue avec modèle "B" annexé au présent Règlement.

#### ARTICLE 8.

Les avis d'émission, les demandes de duplicata d'avis d'émission, ainsi que les réponses à ces demandes ou les duplicata eux-mêmes provenant des États-Unis seront dirigés d'abord sur le bureau d'échange de New York chargé de les mettre sous enveloppe à l'adresse du bureau français destinataire.

Les avis d'émission, les demandes de duplicata d'avis d'émission, ainsi que les réponses à ces demandes ou les duplicata eux-mêmes provenant de la France et de l'Algérie seront placés sous enveloppe par le bureau expéditeur à l'adresse du bureau d'échange de New York.

Les enveloppes sus-mentionnées seront conformes ou analogues au modèle "C" annexé au présent Règlement.

#### ARTICLE 9.

Le paiement des mandats dont l'émission est autorisée par la Convention du 29 décembre 1879, ne pourra être exigé qu'au bureau de poste désigné sur le mandat comme chargé d'en acquitter le montant et qu'après l'arrivée à ce bureau de l'avis mentionné dans l'Article 5 précédent.

#### ARTICLE 10.

Les mandats dont le paiement n'aura pu être effectué pour l'une des causes suivantes:

1°. Indication inexacte, insuffisante ou douteuse du nom ou du domicile des bénéficiaires;

2°. Différences ou omissions de noms ou de sommes, tant sur l'avis que sur le mandat;

3d. Erasures or alterations in the text;

4th. Omissions of stamps or of signatures;

Shall be returned for correction, completion or reissue, as the case may be, to the issuing Administration through the agency of the office and Administration where payment shall have been claimed.

These corrections shall be furnished with the least possible delay.

ARTICLE 11.

Money orders shall be valid during a period of twelve months after the day of their issue.

After the expiration of that time, the advice of an unpaid order shall be returned to the Administration of the country of origin, and the amount of the order shall remain at the disposal of that Administration.

For the execution of this provision the Postal Administration of the United States will cause the proper entries to be made in the records of the New York Exchange Office.

ARTICLE 12.

Orders may be repaid to the remitters upon the simple presentation of the order at the issuing office, but only after the return of the advice to that office, which, to that end, if it has been forwarded, shall be recovered by the issuing Administration from the Administration of the country of destination. In such case, the Postal Administration of the United States will cause the proper entries to be made in the records of the New York Exchange Office.

ARTICLE 13.

Orders mis sent, lost or destroyed may be replaced by authorizations for payment, or by duplicates, to be furnished by the issuing Administration, but only after it shall have been ascertained by that Administration, in concert with the other, should occasion require, that the original orders have not been paid or repaid.

3°. Ratures ou surcharges dans les inscriptions;

4°. Omissions de timbres ou de signatures;

Seront renvoyés, pour être corrigés, complétés ou remplacés suivant les cas, à l'Administration qui les aura émis et par l'intermédiaire du bureau et de l'Administration du pays où le paiement aura été réclamé.

Cette régularisation devra être opérée dans le plus bref délai possible.

ARTICLE 11.

Les mandats seront valables pendant un délai de douze mois à partir du jour de leur émission.

Passé ce terme, l'avis d'émission afférent à un mandat non payé sera renvoyé à l'Administration du pays d'origine et le montant du mandat sera remis à la disposition de cette Administration.

En pareil cas, l'Administration des Postes des États-Unis fera rectifier en conséquence les écritures du bureau d'échange de New York.

ARTICLE 12.

Les mandats pourront être remboursés aux expéditeurs sur la simple production du titre au bureau qui l'aura délivré, mais après la rentrée à ce bureau de l'avis d'émission, qui sera réclamé à cette fin, s'il y a lieu, à l'Administration du pays de destination par l'Administration du pays d'origine; auquel cas l'Administration des Postes des États-Unis fera rectifier en conséquence les écritures du bureau d'échange de New York.

ARTICLE 13.

Les mandats égarés, perdus, ou détruits, pourront être remplacés par des autorisations de paiement ou des duplicata que délivrera l'Administration à laquelle les fonds auront été confiés, mais seulement lorsqu'il aura pu être constaté par cette Administration de concert avec l'Administration correspondante, s'il y a lieu, que les mandats n'ont été ni payés ni remboursés.

Orders valid twelve months.

Sums received for unpaid orders to be subject to disposal of the administration receiving the same.

Repayment of orders.

Duplicates of orders lost, mis sent, or destroyed.

## ARTICLE 14.

Repayment of orders lost, mis-sent, or destroyed, &c.

The remitter of an order mis-sent, lost or destroyed, must furnish, in order to obtain repayment thereof, a declaration from the payee to the effect that the same has not reached him, or, if received, that it has not been transferred by indorsement, or otherwise disposed of by him; or that it has been lost or destroyed after its receipt.

The Administration of the country of origin will not, however, authorize repayment until after the Administration of the country of destination shall have returned the advice or furnished a declaration that it has not paid, and will not pay the order.

In such case the United States Postal Administration will cause the proper entries to be made in the records of the New York Exchange Office.

## ARTICLE 14.

L'envoyeur d'un mandat égaré, perdu ou détruit, devra, pour en obtenir le remboursement, fournir une déclaration du destinataire portant que le mandat n'a été ni aliéné ni transmis par voie d'endossement, qu'il ne lui est pas parvenu, ou qu'il a été adiré ou détruit après la réception.

L'Administration du pays d'origine n'accordera toutefois le remboursement qu'après que l'Administration du pays de destination lui aura renvoyé l'avis d'émission ou déclaré qu'elle n'a pas payé et ne paiera pas le mandat.

En pareil cas l'Administration des Postes des États-Unis fera rectifier en conséquence les écritures du bureau d'échange de New York.

## ARTICLE 15.

Monthly accounts to be rendered.

At the expiration of each month, the Postal Administration of the United States will cause to be prepared two detailed accounts representing respectively, on the one hand, a list of all the money orders, originating in either of the two countries, the advices of which shall have been certified and dispatched by the New York Exchange Office during such month; and on the other hand, a list of all money orders, the advices of which shall have been restored during the same period, by the Administration of the country of destination to the Administration by which the orders were issued.

Particulars of account.

These accounts, made out upon blanks conforming respectively to model "D No. 1" and "D No. 2," annexed to these Regulations, shall be forwarded, for verification, by the French Postal Administration, within one week after the close of the month.

After the aforesaid accounts shall have been approved, the Administration of the country of origin will add, in each case to the total amount of the orders issued by it, and in the same money, three fourths of one per cent. of said amount, conformably to Article 3

## ARTICLE 15.

À l'expiration de chaque mois l'Administration des Postes des États-Unis fera établir deux comptes particuliers présentant respectivement, d'une part, l'énumération de tous les mandats originaires de l'un des deux pays et dont les avis d'émission auront été certifiés et réexpédiés par le bureau d'échange de New York, pendant la période mensuelle, et d'autre part, l'énumération de tous les mandats dont les avis d'émission auront été renvoyés, pendant la même période, par l'Administration du pays de destination à l'Administration du pays d'origine.

Ces comptes, dressés sur des formules respectivement conformes aux modèles "D, No. 1" et "D, No. 2," annexés au présent Règlement, seront soumis à la vérification de l'Administration des Postes de France, au cours de la semaine qui suivra la clôture de chaque mois.

Dès que les comptes précités auront été approuvés, l'Administration du pays d'origine ajoutera, dans chaque cas, au total du montant des mandats émis par elle, et en même monnaie, trois quarts d'un pour cent du dit montant, conformément à l'Article 3 de la Convention

of the Convention of December 29th, 1879, after which it will deduct from the sum total of the orders issued by it the sum total of the unpaid orders of the same origin, the amounts of which shall have been restored by the other Administration.

The difference will constitute the net amount of the credit, for that month, of the Administration of the country of destination.

## ARTICLE 16.

The detailed accounts designated in the preceding Article will be recapitulated quarterly, under the direction of the French Postal Administration, in a general account, for the purpose of exhibiting the exact results of the exchange of money orders between the two countries. This account shall be made on a form like the model "E" annexed to the present Regulations.

For the purpose of explaining said account the conversion of one money into the other shall be made in compliance with the terms of the second paragraph of Article 7 of the Convention of December 29, 1879. To that end the debtor Administration shall forward to the creditor Administration a certified tabular statement of the rates of exchange, at Paris or at New York, as the case may be, quoted each business day during the preceding quarter.

The difference forming the balance of the account shall be paid by means of bills of exchange upon Paris or upon New York, according to the nature of the case, in the money, of gold value, of the creditor Administration, and without any charge to the latter. The expense attending the remittance of bills of exchange is to be borne by the debtor office.

This payment shall be effected without delay and at the latest, within fifteen days after the account shall have been agreed to as correct.

## ARTICLE 17.

Whenever, in the interval between the quarterly settlements, one of the two Administrations

du 29 décembre 1879, puis elle déduira de la somme totale afférente aux mandats émis par elle la somme totale afférente aux mandats de même origine, dont le montant lui aura été remboursé par l'autre Administration.

La différence fournira le montant net de la créance mensuelle de l'Administration du pays de destination.

## ARTICLE 16.

Les comptes particuliers désignés dans l'Article précédent seront récapitulés, tous les trois mois, par le soin de l'Administration des Postes de France, dans un compte général destiné à présenter les résultats définitifs de l'échange des mandats entre les deux pays. Ce compte sera établi sur une formule conforme au modèle "E" annexé au présent Règlement.

Pour la balance du dit compte, la conversion des monnaies sera établie conformément au deuxième alinéa de l'Article 7 de la Convention du 29 décembre 1879. A cet effet, l'Administration débitrice devra adresser à l'Administration créancière un tableau certifié exact du cours du change coté chaque jour de bourse, à Paris ou à New York, suivant le cas, pendant le trimestre précédent.

La différence formant le solde du compte sera payée au moyen de traites sur Paris ou sur New York, selon le cas, en monnaie d'or de l'office créancier et sans aucune perte pour celui-ci, les frais d'envoi des traites restant à la charge de l'office débiteur.

Ce paiement devra être effectué sans délai et, au plus tard, dans le délai de quinze jours après que le compte aura été contradictoirement arrêté.

## ARTICLE 17.

Toutes les fois que dans l'intervalle des liquidations trimestrielles, l'une des deux Administrations se

trouvera créancière de l'autre Administration pour une somme supérieure à vingt-cinq mille francs ou cinq mille dollars, l'Administration débitrice devra envoyer le montant approximatif de sa dette, dans le plus bref délai, à l'autre Administration.

Ce paiement formera un à-compte à valoir sur la liquidation du prochain compte général.

#### ARTICLE 18.

Paid orders.

The orders shall remain in the possession of the Administration which shall have paid them. But each of the two Administrations agree to place, temporarily, at the disposal of the other Administration, any paid order the transmission of which shall have been requested by the latter.

#### ARTICLE 18.

Les mandats resteront en la possession de l'Administration qui les aura payés. Mais chacune des deux Administrations s'engage à mettre, momentanément, à la disposition de l'autre Administration, tout mandat payé dont celle-ci demandera communication.

#### ARTICLE 19.

Form of order subscribed June 14, 1878; right to use reserved.

Each of the two Administrations reserves the right to employ in the future, for its issues, the form of open order in use between the countries of the Universal Postal Union that subscribed to the Arrangement of June 4th, 1878.

In such case the two Administrations will fix, by mutual agreement, the arrangements necessary to secure the execution of the measure provided for in this Article.

#### ARTICLE 19.

Chacune des deux Administrations se réserve, pour l'avenir, la faculté de faire usage, pour ses émissions, du modèle de mandats à découvert, en vigueur dans les relations entre les pays de l'Union Postale universelle, signataires de l'arrangement du 4 juin 1878.

Le cas échéant, les deux Administrations régleront d'un commun accord, les dispositions nécessaires pour assurer l'exécution de la mesure prévue au présent Article.

#### ARTICLE 20.

These Regulations shall take effect the day upon which the Convention of December 29th, 1879, is put in force.

## ARTICLE IX.

Les consuls généraux, consuls, vice-consuls et agents consulaires auront le droit de s'adresser aux autorités administratives ou judiciaires, soit, aux Etats-Unis, de l'Union, des Etats ou des municipalités, soit, en Belgique, de l'Etat, de la province ou de la commune, dans toute l'étendue de leur arrondissement consulaire, pour réclamer contre toute infraction aux traités ou conventions existant entre les Etats-Unis et la Belgique, et pour protéger les droits et les intérêts de leurs nationaux. S'il n'était pas fait droit à leur réclamation, les dits agents, en l'absence d'un agent diplomatique de leur pays, pourront recourir directement au Gouvernement du pays dans lequel ils exercent leurs fonctions.

## ARTICLE X.

Depositions.

Consuls-general, consuls, vice-consuls and consular agents may take at their offices, at their private residence, at the residence of the parties, or on board ship, the depositions of the captains and crews of vessels of their own country, of passengers on board of them, and of any other citizen of their nation. They may also receive at their offices, conformably to the laws and regulations of their country, all contracts between the citizens of their country and the citizens or other inhabitants of the country where they reside, and even all contracts between the latter, provided they relate to property situated or to business to be transacted in the territory of the nation to which the said consular officer may belong.

Contracts.

Authentication of contracts.

Such papers and official documents of every kind, whether in the original, in copies, or in translation, duly authenticated and legalized by the consuls-general, consuls, vice-consuls and consular agents, and sealed with their official seal, shall be received as legal docu-

## ARTICLE X.

Les consuls généraux, consuls, vice-consuls et agents consulaires auront le droit de recevoir dans leurs chancelleries, dans leur demeure privée, dans celle des parties, ou à bord des bâtiments, les déclarations des capitaines et équipages des navires de leur pays, des passagers qui se trouvent à bord et de tout autre citoyen de leur nation. Les dits agents auront, en outre, le droit de recevoir, conformément aux lois et règlements de leur pays, dans leurs chancelleries ou bureaux, tous actes conventionnels passés entre les citoyens de leur pays et des citoyens ou autres habitants du pays où ils résident, et même tous actes de ces derniers, pourvu que ces actes aient rapport à des biens situés ou à des affaires à traiter sur le territoire de la nation à laquelle appartiendra le consul ou l'agent devant lequel ils seront passés.

Les expéditions des dits actes, et les documents officiels de toute espèce, soit en original, ou copie, ou en traduction, dûment légalisés par les consuls généraux, consuls, vice-consuls ou agents consulaires, et munis de leur cachet officiel, feront foi en justice dans tous les

ments in courts of justice throughout the United States and Belgium.

## ARTICLE XI.

The respective consuls-general, consuls, vice-consuls and consular agents shall have exclusive charge of the internal order of the merchant vessels of their nation, and shall alone take cognizance of all differences which may arise, either at sea or in port, between the captains, officers and crews, without exception, particularly in reference to the adjustment of wages and the execution of contracts. The local authorities shall not interfere except when the disorder that has arisen is of such a nature as to disturb tranquillity and public order on shore, or in the port, or when a person of the country or not belonging to the crew shall be concerned therein.

In all other cases, the aforesaid authorities shall confine themselves to lending aid to the consuls and vice-consuls or consular agents, if they are requested by them to do so, in causing the arrest and imprisonment of any person whose name is inscribed on the crew-list, whenever, for any cause, the said officers shall think proper.

## ARTICLE XII.

The respective consuls-general, consuls, vice-consuls and consular agents may cause to be arrested the officers, sailors, and all other persons making part of the crews, in any manner whatever, of ships of war or merchant vessels of their nation, who may be guilty, or be accused, of having deserted said ships and vessels, for the purpose of sending them on board or back to their country. To this end they shall address the competent local authorities of the respective countries, in writing, and shall make to them a written request for the deserters, supporting it by the exhibition of the register of the vessel and list of the crew, or by other official documents, to show that the persons claimed belong to the said ship's company.

tribunaux des Etats-Unis et de Belgique.

## ARTICLE XI.

Les consuls généraux, consuls, vice-consuls et agents consulaires respectifs seront exclusivement chargés du maintien de l'ordre intérieur à bord des navires de commerce de leur nation, et connaîtront seuls de tous différends qui se seront élevés en mer ou s'élèveront dans les ports entre les capitaines, les officiers et les hommes de l'équipage, à quelque titre que ce soit, particulièrement pour le règlement des salaires et l'exécution des engagements réciproquement consentis. Les autorités locales ne pourront intervenir que lorsque les désordres survenus seraient de nature à troubler la tranquillité et l'ordre public à terre ou dans le port, ou quand une personne du pays ou ne faisant pas partie de l'équipage s'y trouvera mêlée.

Dans tous les autres cas, les autorités précitées se borneront à prêter tout appui aux consuls et vice-consuls ou agents consulaires, si elles en sont requises par eux, pour faire arrêter ou conduire en prison tout individu inscrit sur le rôle de l'équipage, chaque fois que pour un motif quelconque les dits agents le jugeront convenable.

## ARTICLE XII.

Les consuls généraux, consuls, vice-consuls et agents consulaires pourront faire arrêter les officiers, matelots et toutes les autres personnes faisant partie des équipages, à quelque titre que ce soit, des bâtiments de guerre ou de commerce de leur nation, qui seraient prévenus ou accusés d'avoir déserté les dits bâtiments, pour les renvoyer à bord ou les transporter dans leur pays. A cet effet, ils s'adresseront, par écrit, aux autorités locales compétentes des pays respectifs, et leur feront, par écrit, la demande de ces déserteurs, en justifiant, par l'exhibition des registres du bâtiment, ou du rôle d'équipage, ou par d'autres documents officiels, que les hommes qu'ils réclament faisaient partie du dit équipage.

Order on board merchant vessels; disputes in port or at sea.

Courts not to interfere unless public peace on shore or in port is disturbed, or other persons than officers and crew are parties.

Local authorities, if so requested, to make arrests, etc.

Arrest of deserters.

Proceedings to obtain arrest of deserters.

Citizens exempted from provisions for arrest.

Expenses of arrest and detention.

Duration of arrest limited.

Crimes and offenses committed by deserters.

Court of competent jurisdiction to try the case.

Upon such request thus supported, the delivery to them of the deserters cannot be refused, unless it should be duly proved that they were citizens of the country where their extradition is demanded at the time of their being inscribed on the crew-list. All the necessary aid and protection shall be furnished for the pursuit, seizure and arrest of the deserters, who shall even be put and kept in the prisons of the country, at the request and expense of the consular officers until there may be an opportunity for sending them away. If, however, such an opportunity should not present itself within the space of three months, counting from the day of the arrest, the deserters shall be set at liberty, nor shall they be again arrested for the same cause.

If the deserter has committed any misdemeanor, and the court having the right to take cognizance of the offense shall claim and exercise it, the delivery of the deserter shall be deferred until the decision of the court has been pronounced and executed.

Sur cette seule demande, ainsi justifiée, la remise des déserteurs ne pourra leur être refusée, à moins qu'il ne soit dûment prouvé qu'ils étaient citoyens du pays où l'extradition est réclamée, au moment de leur inscription sur le rôle. Il leur sera donné toute aide et protection pour la recherche, la saisie et l'arrestation de ces déserteurs, qui seront même détenus et gardés dans les prisons du pays, à la réquisition et aux frais des consuls, jusqu'à ce que ces agents aient trouvé une occasion de les faire partir. Si pourtant cette occasion ne se présentait pas dans un délai de trois mois, à partir du jour de l'arrestation, les déserteurs seraient mis en liberté et ne pourraient plus être arrêtés pour la même cause.

Si le déserteur avait commis quelque délit et que le tribunal qui a droit d'en connaître réclame et exerce ce droit, la remise sera différée jusqu'à ce que le jugement du tribunal ait été prononcé et exécuté.

#### ARTICLE XIII.

Freighters and insurers.

Subjects of third power interested in damages.

In the absence of an agreement to the contrary between the owners, freighters and insurers, all damages suffered at sea by the vessels of the two countries, whether they enter port voluntarily, or are forced by stress of weather, shall be settled by the consuls-general, consuls, vice-consuls and consular agents of the respective countries. If, however, any inhabitant of the country or citizen or subject of a third power, shall be interested in the matter, and the parties cannot agree, the competent local authorities shall decide.

#### ARTICLE XIII.

A moins de stipulations contraires entre les armateurs, chargeurs et assureurs, toutes avaries essuyées à la mer par les navires des deux pays, soit qu'ils abordent volontairement au port, soit qu'ils se trouvent en relâche forcée, seront réglées par les consuls généraux, consuls, vice-consuls ou agents consulaires des pays respectifs. Si, cependant, les habitants du pays ou des citoyens d'une tierce nation se trouvaient intéressés dans les dites avaries, et que les parties ne pussent s'entendre à l'amiable, le recours à l'autorité locale compétente serait de droit.

#### ARTICLE XIV.

Salvage.

All proceedings relative to the salvage of vessels of the United States wrecked upon the coasts of Belgium, and of Belgian vessels wrecked upon the coasts of the United States, shall be directed by the consuls-general, consuls and vice-consuls of the two countries respectively, and until their arrival,

#### ARTICLE XIV.

Toutes les opérations relatives au sauvetage des navires des Etats-Unis naufragés sur les côtes de Belgique et des navires belges sur les côtes des Etats-Unis, seront dirigées par les consuls généraux, consuls et vice-consuls des deux pays respectifs et, jusqu'à leur arrivée, par les agents consulaires respec-

by the respective consular agents, wherever an agency exists. In the places and ports where an agency does not exist, the local authorities, until the arrival of the consul in whose district the wreck may have occurred, and who shall be immediately informed of the occurrence, shall take all necessary measures for the protection of persons and the preservation of wrecked property.

The local authorities shall not otherwise interfere than for the maintenance of order, the protection of the interests of the salvors if these do not belong to the crews that have been wrecked, and to carry into effect the arrangements made for the entry and exportation of the merchandise saved.

It is understood that such merchandise is not to be subjected to any custom-house charges, unless it be intended for consumption in the country where the wreck may have taken place.

The intervention of the local authorities in these different cases shall occasion no expense of any kind, except such as may be caused by the operations of salvage and the preservation of the goods saved, together with such as would be incurred under similar circumstances by vessels of the nation.

tifs, là où il existera une agence; dans les lieux et ports où il n'existerait pas d'agence, les autorités locales auront, en attendant l'arrivée du consul dans l'arrondissement duquel le naufrage aurait eu lieu, et qui devrait être immédiatement prévenu, à prendre toutes les mesures nécessaires pour la protection des individus et la conservation des effets naufragés.

Les autorités locales n'auront, d'ailleurs, à intervenir que pour maintenir l'ordre, garantir les intérêts des sauveteurs, s'ils sont étrangers aux équipages naufragés, et assurer l'exécution des dispositions à observer pour l'entrée et la sortie des marchandises sauvées.

Il est bien entendu que ces marchandises ne seront tenues à aucun droit de douane, à moins qu'elles ne soient destinées à être livrées à la consommation dans le pays où le naufrage aurait eu lieu.

L'intervention des autorités locales dans ces différents cas n'occasionnera des frais d'aucune espèce, hors ceux auxquels donneraient lieu les opérations du sauvetage et la conservation des objets sauvés, ainsi que ceux auxquels seraient soumis, en pareil cas, les navires nationaux.

In absence of consular officers, local authorities to take charge.

#### ARTICLE XV.

In case of the death of any citizen of the United States in Belgium, or of a citizen of Belgium in the United States, without having any known heirs or testamentary executor by him appointed, the competent local authorities shall give information of the circumstance to the consuls or consular agents of the nation to which the deceased belongs, in order that the necessary information may be immediately forwarded to parties interested.

Consuls-general, consuls, vice-consuls and consular agents shall have the right to appear, personally or by delegate, in all proceedings on behalf of the absent or minor heirs, or creditors, until they are duly represented.

#### ARTICLE XV.

En cas de décès d'un citoyen des Etats-Unis en Belgique ou d'un Belge aux Etats-Unis, s'il n'y a aucun héritier connu ou aucun exécuteur testamentaire institué par le défunt, les autorités locales compétentes informeront de la circonstance les consuls, ou agents consulaires de la nation à laquelle le défunt appartient, afin qu'il puisse en être immédiatement donné connaissance aux parties intéressées.

Les consuls généraux, consuls, vice-consuls et agents consulaires auront le droit de poser personnellement ou par délégué, tous actes en lieu et place des héritiers ou des créanciers absents ou mineurs jusqu'à ce que ceux-ci soient dûment représentés.

*Convenzione Addizionale alla Convenzione del 31 Marzo e 20 Aprile 1877 fra il Dipartimento delle Poste degli Stati Uniti d'America e il Dipartimento delle Poste del Regno d'Italia.*

The Post Office Department of the United States of America and the Post Office Department of the Kingdom of Italy, being desirous of modifying the system of exchange of money orders, established by the Convention concluded between them on the 31st of March and the 20th of April, 1877, the undersigned, duly authorized for that purpose, have agreed upon the following additional Convention, modifying certain Articles of the Convention above mentioned.

Il Dipartimento delle Poste degli Stati Uniti d'America e il Dipartimento delle Poste del Regno d'Italia desiderando di modificare il sistema del cambio dei Vaglia quale è stabilito dalla Convenzione conclusa fra essi il 31 Marzo e il 20 Aprile 1877, i sottoscritti debitamente a ciò autorizzati, si sono messi d'accordo sopra la seguente Convenzione Addizionale, modificante taluni Articoli della Convenzione sopra menzionata.

Preamble.

#### ARTICLE 1.

#### ARTICOLO 1.

Substitution for Article III of amended convention to which this is an additional convention (Stat., vol. 20, 683.)

Distribution of commissions.

For Article III of the Convention of March 31st and April 20th, 1877, the following Article shall be substituted, viz:

"Each Administration shall keep the commission charged on money-orders, issued by its offices, but shall pay to the other Administration three-fourths of one per cent. on the total amount of such orders, and shall also refund to the Administration of origin three-fourths of one per cent. on the amounts of all void orders, and of orders, the repayment of which shall have been authorized."

All' Articolo III della Convenzione del 31 Marzo e 20 Aprile 1877 sarà sostituito l'Articolo seguente, cioè:

"Ciascuna Amministrazione terrà per sé la tassa riscossa sui vaglia rilasciati dai propri Uffici, ma pagherà all'altra amministrazione tre quarti dell'uno per cento sul totale importo di simili vaglia, e rimborserà parimenti all'Amministrazione di origine tre quarti dell'uno per cento sull'importo di tutt'i vaglia perenti e dei vaglia il rimborso dei quali sia stato autorizzato."

Void orders, etc.

#### ARTICLE 2.

#### ARTICOLO 2.

Substitution for Article IX of amended convention.

Accounts.

For Article IX of the Convention in question, the following Article should be substituted, viz:

"1. At the close of each Quarter an account, in duplicate, shall be prepared and transmitted by the Post Office Department of the Kingdom of Italy to the Post Office De-

All' articolo IX della Convenzione di cui trattasi sarà sostituito l'Articolo seguente, cioè:

"1. Alla fine di ogni trimestre il Dipartimento delle Poste del Regno d'Italia preparerà e spedisce al Dipartimento delle Poste degli Stati Uniti d'America un conto in dop-

partment of the United States of America. For this quarterly account a form shall be used in exact conformity with the pattern hereto annexed.

"2. In this account there shall be deducted, from the totals of orders originating in the United States, the totals of such orders, the repayment of which shall have been authorized by the Post Department of Italy, in accordance with Article XII of the Convention of March 31st and April 20th, 1877, and also the totals of such orders of United States origin which shall have become void. To the amount remaining there shall be added three-fourths of one per cent. of that amount, being the commission due the Kingdom of Italy under Article 1 of the present Additional Convention. The total of these two sums forms a credit for the Kingdom of Italy. From the amount of orders originating in the Kingdom of Italy similar deductions shall be made, and a like addition to the remainder of three-fourths of one percent thereof, to form the United States credit.

"3. Payment shall be made in the money of the country in favor of which the account shows a balance, and, for the purpose of ascertaining such balance, the smaller credit shall be converted into the same money as the larger credit. If the account shows a balance in favor of the Post Department of the Kingdom of Italy, the conversion shall be effected at the average rate of exchange quoted at New York during the quarter, to which the account appertains; but if it shows a balance in favor of the United States, the conversion shall be effected at the average rate of exchange quoted at Rome, during the same period. The debtor Administration shall transmit, within five days after the expiration of the Quarter, a certified statement, showing the rate of exchange for each business day of such Quarter.

"4. Should the quarterly account show a balance in favor of the Post Department of the Kingdom of Italy, that of the United States shall return a copy thereof, after due examination and verification,

pio esemplare. Per questo conto trimestrale sarà fatto uso di un modulo esattamente conforme al modello qui unito.

2. In tale conto saranno dedotti, dai totali dei Vaglia originari dagli Stati Uniti, i totali di simili vaglia il rimborso dei quali sarà stato autorizzato dal Dipartimento delle Poste d' Italia in ordine all' Articolo XII della Convenzione del 31 Marzo e 20 Aprile 1877, e così pure i totali di simili vaglia originari dagli Stati Uniti che saranno stati dichiarati perenti. All' importo residuo saranno aggiunti i tre quarti dell' uno per cento sul totale medesimo, a titolo di commissione dovuta al Regno d' Italia, giusta l' Articolo 1 della presente Convenzione Addizionale. Il totale di queste due somme costituisce il credito del Regno d' Italia. Dall' importo dei vaglia originari dal Regno d' Italia sarà fatta una identica deduzione, e aggiungendo al residuo i tre quarti dell' uno per cento si ottiene il credito degli Stati Uniti.

3. Il pagamento sarà fatto nella moneta del Paese in favore del quale il conto presenta un credito e alla scopo di stabilire siffatto credito, il credito minore sarà convertito nella moneta del credito maggiore. Se il conto presenta un credito a favore del Dipartimento delle Poste del Regno d' Italia la conversione sarà fatta al tasso medio del cambio quotato a Nuova York durante il trimestre al quale il conto si riferisce; se invece esso presenta un credito in favore degli Stati Uniti la conversione sarà fatta al corso medio del cambio, quotato a Roma, durante il medesimo periodo. L' Amministrazione debitrice trasmetterà entro cinque giorni dopo l' espirazione del trimestre, un prospetto dimostrativo del corso del cambio per ciascun giorno di borsa dello stesso trimestre.

4. Presentando il conto trimestrale un credito a favore del Dipartimento delle Poste del Regno d' Italia, quello degli Stati Uniti ne ritornerà una copia, previo esame e verificaione, al più tardi entro

L'Amministrazione Postale di quest'ultimo Paese, di rimando ne accuserà ricevuta.

5. Durante l'assettamento di un conto se una delle due Amministrazioni Postali riconoscerà di essere debitrice verso l'altra di una somma eccedente cinque mila dollari, o venticinque mila franchi, l'Amministrazione debitrice rimetterà prontamente l'importo approssimativo della somma di cui l'altra è creditrice.

# PROCLAMATIONS.

No. 1.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA:

April 26, 1879.

## A PROCLAMATION.

Whereas, it has become known to me that certain evil disposed persons have within the territory and jurisdiction of the United States, begun and set on foot preparations for an organized and forcible possession of, and settlement upon the lands of what is known as the Indian Territory, west of the State of Arkansas, which Territory is designated, recognized and described by the treaties and laws of the United States, and by the Executive Authorities, as Indian Country, and as such, is only subject to occupation by Indian tribes, officers of the Indian Department, military posts and such persons as may be privileged to reside and trade therein under the intercourse laws of the United States.

Preamble.

And whereas those laws provide for the removal of all persons residing and trading therein, without express permission of the Indian Department and agents, and also of all persons whom such agents may deem to be improper persons to reside in the Indian Country:

Now, therefore, for the purpose of properly protecting the interests of the Indian nations and tribes, as well as of the United States in said Indian Territory; and of duly enforcing the laws governing the same, I, Rutherford B. Hayes, President of the United States, do admonish and warn all such persons so intending or preparing to remove upon said lands or into said Territory, without permission of the proper agent of the Indian Department, against any attempt to so remove or settle upon any of the lands of said Territory; and I do further warn and notify any and all such persons who may so offend, that they will be speedily and immediately removed therefrom by the agent according to the laws made and provided; and if necessary the aid and assistance of the military forces of the United States will be invoked to carry into proper execution the laws of the United States herein referred to.

Settling in the Indian Territory.

In testimony whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this twenty-sixth day of April, in the year of our Lord one thousand eight hundred and seventy-nine, [L. S.] and of the Independence of the United States the one hundred and third.

*Secretary of State.*

## PROCLAMATIONS.

No. 2.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

Nov. 3, 1879.

## A PROCLAMATION.

## Preamble.

At no recurrence of the season which the devout habit of a religious people has made the occasion for giving thanks to Almighty God and humbly invoking His continued favor, has the material prosperity enjoyed by our whole country been more conspicuous, more manifold or more universal.

During the past year, also, unbroken peace with all foreign nations, the general prevalence of domestic tranquillity, the supremacy and security of the great institutions of civil and religious freedom, have gladdened the hearts of our people, and confirmed their attachment to their government, which the wisdom and courage of our ancestors so fitly framed and the wisdom and courage of their descendants have so firmly maintained, to be the habitation of liberty and justice to successive generations.

Appointing  
Thursday, November 27, 1879,  
Thanksgiving day.

Now, therefore, I, Rutherford B. Hayes, President of the United States, do appoint Thursday, the 27th day of November, instant, as a Day of National Thanksgiving and Prayer; and I earnestly recommend that, withdrawing themselves from secular cares and labors, the people of the United States do meet together on that day in their respective places of worship, there to give thanks and praise to Almighty God for His mercies, and to devoutly beseech their continuance.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this third day of November, in the year of our Lord one thousand eight hundred and seventy-nine,  
[L. s.] and of the independence of the United States the one hundred and fourth.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

## A PROCLAMATION.

## Preamble.

Whereas it has become known to me that certain evil-disposed persons have, within the territory and jurisdiction of the United States, begun and set on foot preparations for an organized and forcible possession of and settlement upon the lands of what is known as the Indian Territory, west of the State of Arkansas, which Territory is designated, recognized, and described by the treaties and laws of the United States, and by the Executive authorities, as Indian Country, and as such is only subject to occupation by Indian tribes, officers of the Indian Department, military posts, and such persons as may be privileged to reside and trade therein under the intercourse laws of the United States:

And whereas those laws provide for the removal of all persons residing and trading therein, without express permission of the Indian Department and agents, and also of all persons whom such agents may deem to be improper persons to reside in the Indian Country:

And whereas, in aid and support of such organized movement, it has been represented that no further action will be taken by the Government to prevent persons from going into said Territory and settling therein, but such representations are wholly without authority :

Now, therefore, for the purpose of properly protecting the interests of the Indian nations and tribes, as well as of the United States, in said Indian Territory, and of duly enforcing the laws governing the same, I, Rutherford B. Hayes, President of the United States, do admonish and warn all such persons so intending or preparing to remove upon said lands, or into said Territory, without permission of the proper agent of the Indian Department, against any attempt to so remove or settle upon any of the lands of said Territory; and I do further warn and notify any and all such persons who may so offend that they will be speedily and immediately removed therefrom by the agent, according to the laws made and provided, and that no efforts will be spared to prevent the invasion of said Territory, rumors spread by evil-disposed persons to the contrary notwithstanding; and if necessary the aid and assistance of the military forces of the United States will be invoked to carry into proper execution the laws of the United States herein referred to.

Settling in the Indian Territory.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this twelfth day of February, in the year of our Lord one thousand eight hundred and eighty, and [SEAL.] of the Independence of the United States the one hundred and fourth.

No. 4.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

Nov. 1, 1880.

# A PROCLAMATION.

At no period in their history since the United States became a Nation has this people had so abundant and so universal reasons for joy and gratitude at the favor of Almighty God, or been subject to so profound an obligation to give thanks for His loving kindness and humbly to implore His continued care and protection.

Preamble.

Health, wealth and prosperity throughout all our borders; peace, honor and friendship with all the world; firm and faithful adherence by the great body of our population to the principles of liberty and justice which have made our greatness as a Nation, and to the wise institutions and strong frame of Government and society which will perpetuate it; for all these let the thanks of a happy and united people, as with one voice, ascend in devout homage, to the Giver of all good.

I therefore recommend that on Thursday, the twenty-fifth day of November next, the people meet in their respective places of worship to make their acknowledgments to Almighty God for His bounties and His protection, and to offer to Him prayers for their continuance.

Appointing Thursday, November 25, 1880, Thanksgiving Day.

In witness whereof I have hereunto set my hand, and caused the seal of the United States to be affixed.

Done at the City of Washington this first day of November in the year of our Lord one thousand eight hundred and eighty, and of the Independence of the United States the one hundred and fifth.
